NEW WORLD CORPS

(FOR OVERALL EXECUTION BY D/CO CMO CW AND  
THE HEAD OF THE NEW WORLD CORPS.)

Note these rules when putting this program into effect:

1. When auditors are added to auditors corps - they are to study TRs, metering and RDs and are to get up to Section A or the section the auditors corps has gotten to.
2. Note the tremendous amount of organization and target board you will have to have to administrate this program. DO NOT UNDERESTIMATE THIS AMOUNT OF ADMINISTRATION.

It has to be organized at the start.

3. Note every team has its recruiter and a super but also note you will need Pers Clerks, Target Board Clerks, etc. to keep it rolling.

Whenever corps is mentioned we include these people.

Their title is:

"NEW WORLD CORPS"

4. Note also that all groups have to be started on Sections A and B fast and before the Corps ever gets near them and you will need an admin person at "Corps Headquarters" to get these groups rolling and to alert the Corps what group or who in what group is ready.

#### PRIORITIES

ACTION ONE: Get audits and co-audits working on Section A and B to ready them for your Auditor Corps to work on.

ACTION TWO: Do Section C on all personnel connected with the Auditing Corps and on D/CO CMO CW and Pers Comm.

ACTION THREE: Do Section C on Personal Office of Evaluation and Execution.

ACTION FOUR: Do Section C on all COs of all orgs and units at the FLB.

ACTION FIVE: Do Section C on all Supervisors in the ITO.

ACTION SIX: Do Section C on the Programs Chiefs and Bureau Heads.

ACTION SEVEN: Do Section C on Regs and Div 6 FSO.

ACTION EIGHT: Do Section C on Tech Execs to Department Head Level.

ACTION NINE: Do Section C on all CMO CW.

ACTION TEN: By this time you will have recruited and trained and gotten through Section C many new auditors, expanding your corps.

Program these new ones to continue on through the remaining FLB by specific groups up to and including Section C.

Number it 10-1, Ten-2, etc.

Using your original corps carry on as follows:

ACTION ELEVEN: Section D on all original personnel connected with the RD including D/CO CMO CW and Pers Comm.

ACTION TWELVE: Section D on all Personal Office of Evaluation and Execution personnel.

ACTIONS THIRTEEN, FOURTEEN, FIFTEEN, SIXTEEN, SEVENTEEN, EIGHTEEN repeat the same earlier sequence on Section D. Continue this plan form until you have the whole FLB up to Section H.

Note it well that each time you hit ACTION TEN you have to have a new group of auditors.

By the time you have a second group at TEN we will begin to export the program and that auditor team to FOLOs and Orgs.

And each time we export the group we include recruiters and supervisors so that each time that group gets to a point similar to TEN they have a new auditor team.

This team they will export, and each team that is exported will in its turn have a recruiter and supervisor and will itself form teams each time it gets to an equivalent of ACTION TEN.

This way we cover all orgs and staff in the world.

We will leave small units of this corps in every area to catch new staff coming on.

In this way in a year or three we will have the whole program done for blood across the world.

By this time we will have begun to sell it and audit public on it and we will have begun in earnest of Clearing the Planet.

And we'll have our 2 million a week in Int GI to support it and more.

So let's program it and get it going.
