**JOHANNESBURG SECURITY CHECK**

This is the Johannesburg Security Check sheet further amplified by myself. This is the roughest Security Check in Scientology. We will call it the "Joburg Security Check". It does not necessarily replace other check sheets but it is probably the most thorough one we have now.

In reprinting this form use legal (foolscap) length and double-space everything except directions.

Directions: Attempt to clear any fall observed. Mark any fall observed or any meter reaction change elicited by the question. Then write what it cleared on. Mark largely if the fall could not be cleared since this constitutes a failure to pass. Only fail somebody if there is no needle motion of any kind even with sensitivity at 16 on any question. If they are failing because it is hard to clear a question, work very thoroughly on it in an effort to clear it. In all cases complete the test.

If an important question fails to clear even after Security Checker has worked very hard to get it off, the test is flunked.

The following statement should be read or quoted to the person being Security Checked:

"We are about to begin a Security Check. We are not moralists. We are able to change people. We are not here to condemn them. While we cannot guarantee you that matters revealed in this check will be held forever secret, we can promise you faithfully that no part of it nor any answer you make here will be given to the Police or the State. No Scientologist will ever bear witness against you in Court by reason of answers to this Security Check. This Security Check is exclusively for Scientology purposes. The only ways you can fail this Security Check are to refuse to take the test, to fail to answer its questions truthfully or if you are here knowingly to injure Scientology. The only penalty attached to failure of this check is processing or our refusal to employ you or issue you a certificate, and this will only happen if we find that you are trying knowingly to injure Scientology. You can pass this test by (1) agreeing to take it, (2) answering each question truthfully and (3) not being a member of a subversive group seeking to injure Scientology."

The first questions are nul questions to determine your reaction pattern.

We will now begin—
